

Coach Smarter, Play Better!

If you've ever tried to get a group of coaches together for a "coach the coach" clinic you know what a pain it can be. Getting schedules worked out, hiring the coach and getting people to show up is exhausting.

What if I told you that you have other options?

What if there was a coach the coach clinic that anyone can watch from their own home, do you think your coaches would volunteer some time at night or on a lunch break to watch??? I know they will.

PlaySportsTV has developed a proven method for helping soccer coaches any time of the day or night.

PlaySportsTV is offering a Multi-Coach pass with all the soccer lessons you'll need for one low annual subscription price. New methods, drills, skills and demonstrations all in one great place, for one low price. PlaySportsTV has brought the coach the coach clinic right to your computer.

Start learning new soccer skills and drills today.

You'll be a better coach in practice tomorrow!
